- (c) require special assessment of certain development on land identified as being subject to risks associated with the disturbance of acid sulfate soils.

**Land to which plan applies**

3. This plan applies to land situated in the Kiama local government area classified as Class 1, 2, 3, 4 or 5 on the map marked “Kiama Local Environmental Plan 1996 (Amendment No 27) – Acid Sulfate Soil Planning Map” deposited in the office of the Council of the Municipality of Kiama.

The soil material has a pH of less than 4 when measured in dry season conditions and may be identified by yellow mottles and coatings of jarosite.

**“potential acid sulfate soils”** means soil which is waterlogged and contains oxidisable sulphur compounds and that has a field pH of 4 or more but will become severely acid when oxidised.

(b) by inserting after clause 65 the following clause:

## STATUTORY AND OTHER OFFICES REMUNERATION ACT 1975

### REPORT AND DETERMINATION PURSUANT TO SECTION 14(2) OF THE ACT

#### REPORT:

- On 4 January 2001 the Premier of New South Wales, the Hon Bob Carr MP, directed the Statutory and Other Offices Remuneration Tribunal (SOORT), pursuant to section 14(2) of the *Statutory and Other Offices Remuneration Act 1975* (the Act), to make a determination concerning the salary to be paid to a full-time Deputy President of the Administrative Decisions Tribunal (ADT).
- The ADT was established in 1998 to provide a central, cost effective and convenient way for the people of NSW to obtain a review of administrative decisions and to have certain general complaints, such as discrimination and professional misconduct, resolved.
- The ADT currently has a full-time President, three part-time Deputy Presidents and approximately 140 judicial and non-judicial part-time members. An increase in the workload of the ADT, including the addition of a new division by virtue of the *Administrative Decisions Tribunal Legislative Amendment (Revenue) Act 2000*, has necessitated an expansion of the ADT's operations. The ADT intends to convert one of its current part-time Deputy President positions into a full-time position. Prior to filling the full-time position, the Attorney General sought a referral from the Premier to the Tribunal to determine the appropriate salary for this position.

- The full-time Deputy President will share responsibilities with the President on a practical basis for such matters as listing and liaison with members including information circulars and training, analysis of statistical information, performance monitoring, induction of members, the conduct of delegations and compliance with statutory requirements such as annual reports.
- Schedule 3 of the *Administrative Decisions Tribunal Act 1997* provides for the remuneration of Full-Time members of the ADT to be determined by SOORT. Until now the Tribunal has not been required to make a determination for the ADT. The legislation requires that the President of the ADT be a Judge of the District Court of NSW and be remunerated accordingly, current annual salary of \$200,330 per annum. All other officers of the ADT are currently part-time and receive a daily sitting fee as determined by the Minister. The Deputy President rate is \$750 per day for sitting days and \$415 per day for days spent on administrative duties. The Attorney General has recommended that the newly created full-time Deputy President position receive a salary equivalent to that of a Magistrate, \$160,265 per annum.
- The Tribunal has given careful consideration to the submissions received and, in view of the current daily fees and the need to attract suitable candidates for the position, agrees that a salary equivalent to that currently paid to Magistrates in NSW is applicable. However, this determination does not establish a permanent nexus between the salary payable for the full-time Deputy President of the ADT and that payable to Magistrates. The Tribunal does not support the linking of remuneration of Public Office Holders with that of Judicial salaries. In doing so, the Tribunal retains the flexibility to determinate the appropriate remuneration for this diverse group of office holders.
- Having regard to the above, the Tribunal considers that the full-time Deputy President of the ADT should receive a salary of \$160,265 per annum with effect from 1 February 2001. In addition, the full time Deputy President of the ADT will receive a further increase of 2% to \$163,450 from 1 April 2001. This second increase is in line with a general increase determined by the Tribunal in its 2000 Annual Determination for Public Office Holders.

#### DETERMINATION:

Pursuant to section 14(2) of the *Statutory and Other Offices Remuneration Act 1975*, I determine that the remuneration payable to the full-time Deputy President of the Administrative Decisions Tribunal be \$160,265 from 1 February 2001 with a further increase to \$163,450 from 1 April 2001.

# ON DEMAND BOOK OR MANUAL PRODUCTION IS AFFORDABLE TO GOVERNMENT CUSTOMERS

The Government Printing Service has the latest high speed document publishing systems installed at various sites throughout the state: Goulburn, Regents Park and three city locations have Xerox DocuTech production publishing systems in operation.

These machines are supported via head office and are fully networked. We can accept your job in a large range of formats whether they be in hard copy or electronic files. The GPS can prepare your job according to your specification and have it produced on-demand at a location best suited for your requirements. Documents can be produced in run lengths from one to thousands for a very low unit cost.

To finish off your document, we can offer a number of binding formats to enhance the final product. You may just want a ring binder, the GPS can supply these also.

Index tabs can be set, printed and inserted very economically.

Gone are the days of a minimum run, have 10, 20, 30 copies and re-order when you require more.

Contact Mick O'Shea or Peter Kindleysides for further details on 9743 8777.
