under the

Environmental Planning and Assessment Act 1979

Her Excellency the Governor, with the advice of the Executive Council, and on the recommendation of the Minister for Planning made after consultation with the Minister for the Environment, has made the following Regulation under the *Environmental Planning and Assessment Act 1979*.

ANDREW REFSHAUGE, M.P.,  
Minister for Planning

### Explanatory note

*State Environmental Planning Policy No 73—Kosciuszko Ski Resorts* provides that certain development in specified ski resort areas within Kosciuszko National Park that until now has been required to be assessed under Part 5 of the *Environmental Planning and Assessment Act 1979* (**the 1979 Act**) will require development consent under Part 4 of that Act.

The *Environmental Planning and Assessment Amendment (Ski Resort Areas) Act 2001* amended the 1979 Act to provide that the Minister for Planning would be the consent authority for all such development and to enable regulations to be made modifying the operation of the 1979 Act in relation to those ski resort areas. Regulations can also be made in relation to the conversion of existing Part 5 approvals, building consents and the like relating to the ski resort areas into equivalent development consents and certificates under Part 4A of the 1979 Act.

The objects of this Regulation are:

Environmental Planning and Assessment Amendment (Ski Resorts) Regulation 2002

Explanatory note

---

- (a) to enable the Director-General of the Department of Planning to issue certificates effecting the conversions referred to above, and
- (b) to modify the application of the provisions of the 1979 Act and to amend the *Environmental Planning and Assessment Regulation 2000*:
  - (i) so as to recognise the role of the Minister as the consent authority for development in the ski resort areas and as certifying authority for the purposes of Part 4A of the 1979 Act, and
  - (ii) so as to alter references to “the council” because the Councils for the local government areas of Snowy River and Tumut will not have a role under the 1979 Act in relation to the ski resort areas.

The Regulation also imposes special requirements in relation to the preparation of statements of environmental effects to accompany development applications for land in the ski resort areas if the proposed development is advertised development.

This Regulation is made under the *Environmental Planning and Assessment Act 1979*, including sections 78A, 105 and 157 (the general regulation-making power) and clauses 32B and 32C in Part 8A of Schedule 6 to that Act.

### Explanatory note

The *Public Sector Employment and Management Act 2002* (**the new Act**) will commence on 9 September 2002 with the exception of certain provisions (including those relating to the basis on which Departmental temporary employees and casual employees may be employed and to the new disciplinary scheme for dealing with misconduct and poor performance in the Public Service). The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of fungi in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure “A” to this Notice:

### WATER ACT 1912

#### Volumetric Water Allocation Scheme

#### Section 20Z of the Water Act 1912

THE Department of Land and Water Conservation is satisfied that during the 2002/2003 water year, the water sources of the Peel River catchment below Chaffey Dam which are subject to a scheme pursuant to Section 20X of the Water Act, are unlikely to have sufficient water available to meet the requirements of persons authorised by law to take water from the water sources or to meet other requirements for water previously determined by the Department.

Consequently, for that year, except as provided hereunder, all allocations under the PEEL WATER ALLOCATION are reduced to 60% of their basic allocations.

This reduction shall take effect on and from 1 July 2002.

This reduction does not apply to the allocations under entitlements for town water supply, stock, domestic, industrial or recreation (other than recreation involving maintenance of golf fairways).

Signed for the Department of Land & Water Conservation.

RANDALL HART,  
Regional Director  
Barwon Region

Dated: 28 August 2002.

### STATUTORY AND OTHER OFFICES REMUNERATION TRIBUNAL

#### Report and Determination Pursuant to Section 14 of the Act – Motor Vehicle Allowance for Certain Public Office Holders

1. ON 24th January 2002 the Premier, the Hon Bob Carr, M.P., directed the Tribunal to review the motor vehicle allowance for certain public office holders. In making this direction the Premier stated that:

*"... The Government considers that motor vehicles should be available to officers in the public sector only on a salary sacrifice basis."*

2. This reference followed legislation that took effect on and from 1 January 2002 to allow public office holders to salary sacrifice for motor vehicles.
3. The Tribunal undertook an extensive review and made its Determination on 30 April 2002 for those office holders for whom it had received details of existing motor vehicle arrangements.

4. Members of the Aboriginal Land Council are also provided with a motor vehicle as part of their conditions of employment. Information had been sought regarding the motor vehicle arrangements for the Members, however, this information was not received by the time the Tribunal made its Determination. For this reason the Members of the Aboriginal Land Council were omitted from the Determination of 30 April 2002.

5. The information requested has now been received and the Tribunal notes that the arrangements and costings for motor vehicles are broadly similar as those provided to the other office holders. As such, the Tribunal proposes to make a similar determination for the Members of the Aboriginal Land Council as that made on 30 April 2002 for the other specified Office Holders.

6. In order for a Member of the Aboriginal Land Council to receive the Motor Vehicle Allowance it will be necessary for the Member to forgo the existing arrangements. At the 2002 annual review the Allowance will be incorporated into the salary for superannuation purposes.

7. The Tribunal is not able to make determinations that override any current agreement between a Public Office Holder and the Crown. Therefore, following this determination, the Director-General of the Premier's Department will need to write to each Member to obtain the Member's written acceptance that he or she is prepared to forgo the existing motor vehicle arrangements and that in lieu of those existing arrangements the Member is prepared to meet the private use cost of a motor vehicle on a salary sacrifice basis. The Premier's Department will advise the Tribunal of those Members who have accepted the new arrangements.

8. Those Members who choose not to accept the new arrangements will be ineligible to receive the Allowance.

9. In order to ensure that there is a consistent approach to the availability of motor vehicles, the Tribunal has previously recommended that a Circular be issued to all Ministers and CEOs informing them that vehicles for statutory office holders will only be available through the normal public sector salary sacrifice arrangements and are not to be offered as part of an employment package.

10. It will then follow that future appointees may only obtain a motor vehicle by way of salary sacrifice.

### DETERMINATION

Members of the Aboriginal Land Council will be eligible to receive the Motor Vehicle Allowance of \$13,000 pa. To be eligible to receive this Allowance each Member must provide written confirmation that they will forgo their entitlement to a motor vehicle under the current arrangements. The Allowance will take effect on and from the date the Member signs the written confirmation.
