## NOTE.

The Public Service Board desire to state, for general information, that the plan adopted in preparing this list is to place the officers in the various Divisions in order of salary, and, where there is more than one officer at the same salary, then to place the officers in alphabetical order of their names. It is therefore in no sense a "Seniority List."

All salaries shown in this list are nominal salaries and are subject to a deduction under the Public Service Salaries Act, 1931-1932.
