NOTE.

1. The Public Service Board desire to state, for general information, that the plan adopted in preparing this list is to place the officers in the various Divisions in order of salary, and, where there is more than one officer at the same salary, then to place the officers in alphabetical order of their names. It is therefore in no sense a "Seniority List."

2. An honour roll of public servants who served in the Armed Forces during World War II is published in the 1946 Public Service List.
