NOTE.

THE Public Service Board desire to state, for general information, that the plan adopted in preparing this list is to place the officers in the various Divisions in order of salary, and, where there is more than one officer at the same salary, then to place the officers in alphabetical order of their names. It is therefore in no sense a "Seniority List."

In the *General Division* grades are not specified. Under the provisions of No. 114 of the Regulations under the "Public Service Act, 1902," the upper and lower grades of the *Special*, *Professional*, and *Clerical Divisions* are divided into sections, as under :—
