PROPOSED CY PRES SCHEME RELATING TO

THE ESTATE OF THE LATE ALICE MAUD DANIEL

THE deceased, Alice Maud Daniel, died on 23 May 1965. In her Will, dated 19 December 1941, the testatrix provided for the proceeds of sale of some shares and other property to be given to:

‘...the Royal Shipwrecked and Humane Society for the benefit of the widows and orphans’.

This gift is the basis of an application for a cy-pres scheme. At the time of the testatrix’s death, there existed a body called the Royal Shipwreck Relief and Humane Society of New South Wales, originally established in 1877 and then known as the National Shipwreck Relief Society of New South Wales.

The original objects of the Society, which existed in 1941 when Mrs Daniel made her Will, were in summary to provide relief to widows, orphans and aged parents, or others dependent on seamen belonging in New South Wales or to vessels owned in New South Wales, who lost their lives or were seriously injured in the course of duty; to make provision for the maintenance of orphans of such deceased seamen, or the neglected children of seamen resident in New South Wales; and the bestowal of medals or rewards on persons performing acts of bravery in saving human life.

In 1966 the Society, with the approval of the Queen, changed its name to the Royal Humane Society of New South Wales and adopted a new set of Rules, the leading object of which was the bestowal of awards on persons performing acts of bravery in saving or attempting to save human life. The first two objects were deleted.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the gift to the Royal Shipwrecked and Humane Society for the benefit of the widows and orphans in the testatrix’s will is a gift for charitable purposes, and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act* 1993. The scheme is to apply the money to Sydney Legacy for the relief of the dependants of deceased service people, for the purposes of caring for those dependants who need special care and practical assistance in accommodation, education, legal and general welfare advice.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone 9228-7883 for an appointment.

CHARITABLE TRUSTS ACT 1993

NOTICE UNDER SECTION 15

PROPOSED CY PRES SCHEME RELATING TO

THE ESTATE OF THE LATE ELSIE ADA MCGRATH

THE deceased, Elsie Ada McGrath, died on 23 June 2000. In her Will dated 20 October 1995, for which probate was granted on 24 August 2000, the testatrix made the following bequest:

‘To THE SANDAKAN MEMORIAL FOUNDATION LIMITED, as Trustee of the Sandakan Memorials Trust Fund, for the general purposes of the Trust, the sum of One hundred thousand dollars (\$100,000.00)’.

This gift is the basis of an application for a cy-pres scheme. The Sandakan Memorial Foundation, which was incorporated on 23 January 1993, was established to honour the memory of the 2,428 allied prisoners who died on the forced march from Sandakan to Ranau or who died in the Sandakan camp. Its objects were to work for, encourage and procure the public commendation of those Australian soldiers, sailors and airmen who were held by the Japanese military forces as prisoners of war in or near Sandakan or Ranau in Sabah (formerly British North Borneo) in the years 1942-45 and who died during those years in that territory. During its operation the Foundation erected Sandakan memorials and conducted ceremonies in memory of those prisoners, and distributed a Newsletter to members. On 16 June 1998 the Foundation was wound up and the balance of its funds forwarded to the Australian War Graves Commission.

The only organization in existence with uniquely similar objects to the Foundation is the Old Sandakians Association. However, this association has no formal structure and is not equipped to administer the bequest. Accordingly, the Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the gift to the Sandakan Memorial Foundation in the testatrix’s will is a gift for charitable purposes, and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act* 1993. The scheme is to apply the money to the Australian War Memorial for the establishment of a national memorial at the Australian War Memorial to all the Australian soldiers, sailors and airmen held by the Japanese military as prisoners of war in or near Sandakan or Ranau in Sabah in the years 1942-45 (inclusive) and who died during those years in that territory. Further, all or part of the balance of the funds are to be utilised for the conduct of an education campaign to make Australians, especially young Australians, aware of the circumstances of these prisoners of war during the aforementioned years.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone 9228-7883 for an appointment.
