CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Proposed Cy Pres Scheme Relating to the Kelso King Endowment Fund

ON 12 March 1924, a declaration of trust created the Kelso King Endowment Fund ('the Trust'). The Trust was created to provide financial assistance to members and families of the staff (including former staff members of at least ten years' service) of Mercantile Mutual Insurance Company Limited, now known as ING Australia Pty Ltd.

Following a restructure, ING Australia Pty Ltd has ceased to be the primary employer of the Group's employees, who are currently employed either by ING Corporate Services Pty Ltd, ING Administration Pty Ltd, or QBE Mercantile Mutual Limited. In its current form the Trust does not extend to employees of any companies other than ING Australia Pty Ltd, and therefore no current employees of the ING Group are eligible to benefit from the Trust.

The Trustees have requested that the class of beneficiaries of the Kelso King Endowment Fund be changed to extend to staff members (including former staff members of at least ten years' service) of the companies associated with the ING Group, and their families. The Trustees have also asked that the means of nominating the Trustees be changed.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the Kelso King Endowment Fund is a Trust for charitable purposes, and has determined that the Attorney General should establish a cy-pres scheme pursuant to section 12 (1) of the Charitable Trusts Act 1993. The scheme is to allow the class of beneficiaries to be changed to extend to staff members (including former staff members of at least ten years' service) of the abovementioned companies associated with the ING Group, and their families. The Solicitor General has also determined that the application for the amendment of the Trust Deed be approved.

Take note that within one month after the publication of this notice any person may make representations or suggestions, in writing, to the Attorney General in respect of the proposed scheme. Initial inquiries as to the proposed scheme may be directed to (02) 9228 7883.

LAURIE GLANFIELD,
Director General,
Attorney General's Department.

CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Proposed Cy Pres Scheme Relating to the Estate of the Owen Arthur Crooks

OWEN ARTHUR CROOKS in his Will dated 12 February 1991, for which probate was granted on 8 May 1995, directed that, a one eleventh share of the residue of his estate be given to:

'The Trustees for the time being of the Fair Havens Funds for the purposes of establishing or assisting in the maintenance of a nursing home for Christian Scientists in NSW'.

The Fair Havens Fund was established to receive donations towards the establishment and support of homes for aged Christian Scientists. The Fair Havens Association for Christian Scientists Incorporated ('the Fair Havens Association') came into existence when the Fair Havens Fund separated from the NSW Nursing Service and Welfare Association for Christian Scientists in 1982. It incorporated in 1994, and became known as the Fair Havens Association for Christian Scientists. This body operates the Fair Havens Retirement Village. For religious and legislative reasons, the retirement village has not, and has no intention of establishing or maintaining, a nursing home for Christian Scientists in NSW.

The NSW Nursing Services for Christian Scientists Limited ('the Nursing Service') provides funds for nurses who are trained under Christian Science teachings to provide specific, non-medical nursing services. For the same religious and legislative reasons, the Nursing Service has no intention of establishing or assisting in the maintenance of a nursing home.

The testator's gift is the basis of an application for a cy-pres scheme, submitted on behalf of the NSW Nursing Services for Christian Scientists Limited with the consent

of the executor and the support of the Fair Havens Association, to apply the one-eleventh share of the residue of the Mr Crooks' estate to the Nursing Service for the subsidising of nursing services (known as 'benevolence') for Christian Scientists.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the gift to the Fair Havens Fund in the testator's will is a gift for charitable purposes, and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12 (1) (a) of the Charitable Trusts Act 1993. The scheme is to apply the funds for the benefit of the NSW Nursing Services for Christian Scientists Limited for the provision of nursing services to Christian Scientists aged 55 years and over.

Take note that within one month after the publication of this notice any person may make representations or suggestions, in writing, to the Attorney General in respect of the proposed scheme. Initial inquiries as to the proposed scheme may be directed to (02) 9228 7883.

Director General,
Attorney General's Department.

CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Variation to an Established Cy Pres Scheme Relating to the YMCA of Sydney

ON 17 October 1997, an Order under section 12 of the Charitable Trusts Act 1993, was published in *NSW Government Gazette* No. 112. The Order referred to a fundraising campaign conducted by the YMCA of Sydney ('the YMCA'), to which donations were made by the public both anonymously and on an identifiable basis for the specific purpose of the construction of a leisure centre at Pymble.

The YMCA subsequently decided not to proceed with the project, and a cy-pres scheme was established to enable a specific amount, which had been received from anonymous donors, to be allocated for the purchase of gymnastic equipment to be used at the St Ives YMCA.

Further funds have now increased the amount of the fund specified which is, consequently, the basis of an application for a cy-pres scheme.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has approved a recommendation that the cy-pres scheme ordered on 17 October 1997, be varied by order pursuant to section 17 (2) of the Charitable Trusts Act 1993, to enable all amounts of money held by the YMCA Sydney, originally raised from anonymous donors to build an indoor leisure center at Pymble, to be applied to the St Ives YMCA for the purchase of gymnastic equipment.

Take note that within one month after the publication of this notice any person may make representations or suggestions, in writing, to the Attorney General in respect of the proposed scheme. Initial inquiries as to the proposed scheme may be directed to (02) 9228-7883.

LAURIE GLANFIELD,
Director General,
Attorney General's Department.

CHARITABLE TRUSTS ACT 1993

Notice Under Section 15 Proposed Cy Pres Scheme Relating to the George Munster Award

FOLLOWING George Munster's death in 1984, his widow, daughter and friends decided to commemorate his life and his contribution to journalism by instituting an annual journalism award known as the 'George Munster Award'. A trust was established to administer the award, which has been made annually since 1986. The present value of the award is \$1,000.00.

The purpose of the current Trust is to encourage specific qualities of journalism, namely independence, integrity, accuracy and lucidity. However, the Trust Deed limits the possible beneficiary of the Trust to 'freelance journalist' as defined. Given the changes to the employment and work practices of journalists since the Trust's establishment, the restriction of the award to 'freelance journalist' no longer provides a suitable and effective method of using the Trust Fund having regard to the intention of the Trust.

The Trust is, the basis of an application for a cy-pres scheme. The purpose of an amended Trust Deed as proposed by the Trustees would remain that of encouraging the same qualities of independence, integrity, accuracy and lucidity in journalism, but opens entry to the award to all journalists and not solely 'freelance journalists'.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the George Munster Award is a Trust for charitable purposes, and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12 (1) (a) of the Charitable Trusts Act 1993. The scheme is to vary the Trust Deed in the manner proposed by the Trustees to permit the award to be applied to all journalists and not solely to 'freelance journalists'.

Take note that within one month after the publication of this notice any person may make representations or suggestions, in writing, to the Attorney General in respect of the proposed scheme. Initial inquiries as to the proposed scheme may be directed to (02) 9228 7883.

Director General,

CONTAMINATED LAND MANAGEMENT ACT 1997

Section 21 — Declaration of Remediation Site Declaration Number 21033

THE Environment Protection Authority ("EPA") declares the following land to be a remediation site under the Contaminated Land Management Act 1997 ("the Act"):

1. Land to which this declaration applies ("the site")

Part of Tunks Park (a reserve (R74114)) located immediately west of the suspension bridge located at the border of Strathallen Avenue, Northbridge and Miller Street, Cammeray, near Flat Rock Gully Reserve and Munro Park.

A map of the site is available for inspection at the EPA's offices located at 59-61 Goulburn Street, Sydney.

2. Nature of the substances causing the contamination:

- (i) lead and zinc;
- (ii) benzo(a)pyrene (BaP); and
- (iii) petroleum aromatic hydrocarbons ("PAH's").

3. Nature of harm that the substance may cause:

The EPA has considered the matters in s.9 of the Act and found that:

- (i) The levels of PAHs, BaP and lead in the fill material at the site exceed relevant health based criteria for land used for park / recreational open space use;
- (ii) The levels of PAHs, BaP and zinc in the groundwater on the site exceed the relevant criteria for protection of aquatic ecosystems; and
- (iii) The levels of PAHs, BaP and lead in the sediment on the site exceed relevant health based criteria for land used for park / recreational open space use.

The EPA has found that the contamination of the fill material, groundwater and sediment on the site presents a significant risk of harm to the environment. In particular:

- The International Agency for Research on Cancer (IARC) has classified benzo(a)pyrene as Group 2A (Agents probably carcinogenic to humans) and lead as Group 2B (Agents possibly carcinogenic to humans).

4. Further action under the Act

The making of this declaration does not prevent the carrying out of a voluntary remediation of the site and any person may submit a voluntary remediation proposal for the site to the EPA. If the proposal satisfies the requirements of s.26 of the Act, the EPA may agree not to issue a remediation order to the person or persons bringing the proposal.

5. Submissions invited

The EPA advises that the public may make written submissions to the EPA on:

- (i) Whether the EPA should issue a remediation order in relation to the site; or
- (ii) Any other matter concerning the site.

Submissions should be made in writing to:

Director Contaminated Sites
Environment Protection Authority
PO Box A290
Sydney South NSW 1232

or faxed to 02 9995 5999, by not later than 22 April 2003.

Dated: 11 April 2003.

CAROLYN STRANGE,
A/Director Contaminated Sites,
Environment Protection Authority
(by delegation).

NOTE:**Remediation order may follow**

If remediation of the site or part of the site is required, the EPA may issue a remediation order under s.23 of the Act.

Variation/Revocation

This declaration remains in force until it is otherwise varied or revoked. A declaration may only be revoked when the EPA does not have reasonable grounds to believe that land is contaminated in such a way as to present a significant risk of harm (s.44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this remediation declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to s.149 (2) of the Environmental Planning and Assessment Act that the land is currently within a remediation site. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s.149 (2) certificate is removed.

Relationship to other regulatory instrument

This declaration does not derogate from the provisions of any relevant environmental planning instruments which may control the land on which the land is located or provisions of any other environmental protection legislation administered by the EPA.
